Help! Front line twelfth step workers wanted

Kia ora Fellowship

Every day we receive a number of requests for help from sick and suffering alcoholics via the A.A. help email address. When requests come in we like to put each person in touch with someone in their local area who can help.

We are looking to increase our database of people willing to make twelfth step calls, to assist those reaching out for help to find a local meeting and get them connected to A.A. in their area.

How it works. **We don't give your number out to anyone.** Our help co-ordinator Nell will contact you and pass on the new person's details, along with a bit of information so you can contact them directly.

This is essential, primary purpose work and those who already do it find it incredibly rewarding. If you would like to be involved, please click the 'Sign up here' button below or email us at nzqso@aa.org.nz with your name, telephone number, home group and location (i.e., Waipukarau, Hawkes Bay).

Thank you for your service

I am responsible. When anyone, anywhere reaches out for help, I want the hand of A.A. always to be there, and for that I am responsible.
