It will also be at the discretion of the Assembly whether this attendance at NZGSC of the Reserve Delegate will count as part of his/her three year term or not. This emergency election, if required, which may also apply to the position of the Reserve Delegate or Assembly Office Bearers, may be held at an Assembly other than the AGM.

- Online Banking Maintenance: In conjunction with the current Secretary, ensure any newly elected Chairperson or Secretary is given appropriate online banking access, and any out-going Treasurer, Chairperson or Secretary is removed from online banking. Also ensure any Southern Area Assembly Hosting Committee who opts to use the hosting committee bank account is given appropriate online access to that bank account (i.e view only that particular bank account and create payments, but not be able to send the payments).

At Assemblies:

- During the SAA business meeting, with the assistance of one non GSR count, record and report donations. *(with the wide-use of online banking and cheques no longer legal tender, only one non-GSR is required to count any cash received at Assemblies).* Yourself and the non-GSR to use the forms and sign where indicated as evidence of the cash collected. Template of this form provided in this appendix. Records to be held on file. *(the rationale for this: banks are encouraging people to use Smart ATMS for deposits, and will charge a fee for over the counter deposits. Smart ATMS do not require the traditional deposit slip. The Smart ATMS will give a receipt of the deposit, but sometimes this doesn't happen – run out of paper or other technical problem. If we have some other record of the cash collected, this helps should the aforementioned problem occur.)*
- Present a financial report to Southern Area Assembly and move this be accepted.
- Disbursement of funds/provision of reserves at Assemblies: Present the disbursement of funds/reserves report at the end of the SAA business meeting.

Set Disbursements/Provision of Reserves: As at October 2021 the set disbursements/reserves amounts are as follows:

GSO Equalisation Fund:	\$1,300.00
