At the workshop we will talk about how:

Modern technology can help you and your group carry the life-saving message of Alcoholics Anonymous – but how can you navigate the world of digital communication within AA's traditions of anonymity?

Carrying the Message through Modern Technology

- Discover various online resources available for AA groups
- Discuss the balance between embracing technology and respecting traditions

Anonymity in the Digital Age

- Explore the nuances of maintaining anonymity at the public level (11th Tradition)
- Understand the importance of anonymity at the personal level (12th Tradition)
