Visitor information

Rarotonga is 1 of 15 island within the Cook Islands and is home to the
largest population

Rarotonga is a great place to come for a break and relax on our tropical
island. Lots of fun activities to keep you and the family well amused. We
use New Zealand currency. Check out Cookislands.travel for all things
Cook Islands. For private accommodation check out www.rentraro.com
or book one of the many resorts available. We have booked 3 self

contained units on the beach for \$100 night each. Units hold two comfortably and are available on a first in and paid, first served basis. These are located in Tupapa about 5mins from town by car. We have also hired a van with driver who can do drop offs with a donation for fuel etc.
