

Literature Pricing Update - Effective 1 July 2026

Over recent months, the General Service Office has reviewed literature pricing to better understand the current costs of supplying A.A. literature throughout New Zealand. This review considered changes in supplier pricing, shipping costs, and movements in the USD-NZD exchange rate.

As a result, literature prices will be updated from **1 July 2026**.

What to expect

- Not all prices are increasing.
- A selection of items will available at clearance prices whilst stocks last.
- Most price changes are modest.
- Our aim is to keep literature affordable and readily available across NZ.

Regular reviews help ensure we can continue to provide a reliable supply of literature while responsibly covering the costs of purchasing, importing, storing, and distributing these materials.

Current literature and pricing can be viewed at aa.org.nz/shop/, with updated prices taking effect from 1 July 2026.

If you have any questions, please feel free to contact the General Service Office.

Thank you for your continued support in helping make A.A. literature available to those who need it.
